

War Memorial Guidelines for RV Scholarship Parking

The following RV parking and tailgating etiquette will be in place for 2007 Razorback football season to insure a safe and enjoyable atmosphere for all fans. The RV area worked out great last year and we appreciate your cooperation with this.

RV Parking for a fee of \$60 per game/ \$80 with towed car

Game Dates: October 6 (Tennessee Chattanooga) and November 17(Mississippi State)

Deadline to reserve a scholarship spot is August 31, 2007

DIRECTIONS:

RV parking lot will be located in War Memorial Park at the intersection of Club House Rd. and Fair Park (old Lot 4, also known as the Archery Range). Access is off of Fair Park and I-630. Scholarship RV parkers will have first access to the paved parking area. Any spots not reserved in advance will be available to general RV parking.

SET UP

Set up may begin as early as the Monday before the game and must be completed the night before the game. We **strongly** recommend that you come early and be set up the night before the game. You can expect parking problems if you wait to set up the day of the game. A parking attendant will be onsite to assist with placement of all RVs between 9 am and 5 pm the week of the game. You may be asked to move your RV if the parking attendant does not approve your placement of the vehicle after hours. Towed vehicles will be parked in an area close to the RV lot but not right next to your RV.

The RV may not be left unattended overnight after it has been parked.

BREAK DOWN

All RV's will be expected to be cleared out the day after the game. War Memorial is not responsible for items left on-site.
